

Mawsley Villagers Association Newsletter

June 2008

Blossom time!

"It's not just the trees that have blossomed in the last few weeks, the village has too," Samantha just said to me. Suddenly we have cricket on the village green! Well, not suddenly really; the cricket club has done a fantastic job to get everything lined up so that league matches are being played here a year before we thought it would be possible. But there's more; the rounders team is paying in a local league too. And it was really satisfying to see so many people using the playing fields and having a drink at The Centre during the early May Bank Holiday. (Don't mention the one just gone).

As well as the fun, Barnwell Court is now really alive: get your hair cut; have lunch; buy tonight's dinner; collect youngest from the nursery. It really is a place to meet and mingle.

True, there is still much to do to get the village ship-shape and as we would all like it, with more facilities. In particular, we continue to have difficulty in providing facilities for young people. In the last newsletter I mentioned our plans to set up a Youth Club, led by a youth worker. Unfortunately, our advert for such a person was not successful so we are still looking. The other route, however, is that any parent who would like to do this would be welcome. The MVA would pay for all the training necessary, and we could get advice and support from the Organisation of County Youth Clubs. If you think this might be for you just give me a call.

I also talked last time about the need for parents of young people to come forward to help re providing facilities on the playing fields. Regrettably none did, so as I made clear last time nothing has happened. This really is unfortunate; I get complaints that the facilities aren't there but no offers to help get them there. Who do you think is going to do it then? Anyway, we have decided to scale down the project in the short term and just concentrate on relocating the basketball hoops that used to be on the field. Come on; it's only a small project - make it happen!

The wind farm proposals: Activity has slowed down a little as it is likely to be some weeks or even months yet before the developers submit the environmental impact assessment (a sophisticated way of saying "yes, we know this ridiculous and outrageous scheme will ruin the lives of many of you, affect the health of many of you and spoil village life for all of you, but here's evidence to say 'not to worry'; and anyway we don't care"). In the meantime the Action Group is working on a public website and continuing to look at the outcomes of wind farm planning appeals across the country to determine the most relevant issues to build our case on.

So, wander round, meet people and take part in things. It's blossom time!

Kettering Rural West Safer Community Team

Dear Mawsley Residents,

My original article was going to be of complete good news again: one 'other' crime category; no burglaries; no vehicle crime; no robbery. Linked in with the small number of anti-social behaviour incidents reported, it is very encouraging.

Unfortunately, in the past few days there has been a burglary and there has been vehicle crime.

The burglary was overnight, a house was entered and a set of vehicle keys and mobile phone were taken. The vehicle parked outside was then stolen. During the same night in Mawsley a set of number plates was taken from another vehicle and we are sure the plates were placed on the stolen vehicle to make its escape.

I don't wish to start panic, as for the reporting year 2007/2008 there were NO burglaries of dwellings in Mawsley. This incident does, however, raise the fact that vigilance is always required. I would ask that everyone be aware of their house security - do you have sensor lighting, are your side gates locked and bolted?

If you would like further advice on crime prevention and security measures then log onto our website www.northants.police.uk or if you would like to speak to one of our team please contact us 08453 700700 asking for the Rural West Safer Community Team. You can email us at SCTKetteringRuralWest@northants.police.uk. There is an excellent Neighbourhood Watch Scheme in Mawsley - if you would like to be a part of it then either speak to Brenda Quinn, your local coordinator, or again one of our team will be pleased to assist in facilitating this communication.

Thanks again for all the information that people have emailed me with, either direct or through the Mawsley Village Forum. Please continue to support us.

Policing Matters update

As a result of the poll in the March issue, your points of concern were taken to the meeting held on the 16th April. The outcome for the Rural West area was that the main priorities were speeding, unsociable behaviour, street signs and road markings. The last two items will be taken up with Wimpeys and/or the local council (or Highways) as and when they take over responsibility for the roads from the builders.

The next meeting is on 16th July and if you have any further comments you would like passed on, please let me have them by telephone on 799643 or by email on do.vic@sakernet.com.

Your contact for Kettering Rural West Safer Community Team is Sgt. Tony Hopkins on 08453 700700 or you can e-mail him on SCTKetteringRuralWest@northants.police.uk.

In an emergency call 999.

MAWSLEY TALENT SHOW

**Auditions to be held
on 28th June
at The Centre
3 - 6pm**

Are you a group of people, a solo act, maybe you are a club or Church group, a school, a business, etc? There are three groups: juniors 3 - 10 yrs, intermediates 11 - 15 yrs and seniors 15 - 100+!!

You will not be judged, there are no winners or losers, you are just asked to perform informally on 28th June so that we can arrange a show/performance on 5th July for Fun Day.

It could be great fun and we can find out just what talent Mawsley has. Who knows, from little acorns..... perhaps a Mawsley Panto next?

Please contact Vic Cope, on 799643 or e-mail do.vic@sakernet.com to record your entry. Go on, have a go - you might even enjoy it!

Village Connect Deliveries

We are always looking for ways to raise funds for our local community. One success has been the monthly deliveries of the Village Connect magazine. For carrying out these deliveries we receive a donation of £70 each and every month – and this continues to rise as the number of homes in the village increases (of course this means that we also have more deliveries to make!).

I would like to take this opportunity to say thank you on behalf of the village to our team of deliverers – you do a fantastic job! – and also to Amanda Harris who has had the responsibility recently of arranging and organising these deliveries. Sadly, Amanda has had to step down from this vital role and so we are now looking for a volunteer to step into her shoes.

Would you like to do something to support your local community? Well this could be your ideal opportunity. We are now looking for someone who can accept the magazines from Village Connect at the end of each month and distribute them to delivery team.

Perhaps you don't want to take on the responsibility of organising these deliveries but would be happy to join the distribution team? Could you spare about an hour a month? We desperately need new volunteers, especially for Warren End / Fox Coverts, Cowslip Hill area, School Road and to the newest homes in the village.

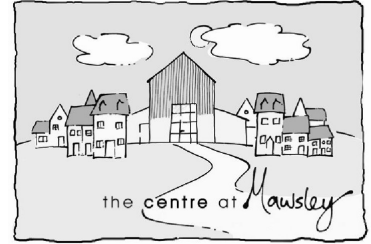

If you can help please call me, Lizzie on 799072 or email me on MVA@mawsleyvillage.co.uk

The Centre at Mawsley

I can hardly believe that it is the beginning of June! With Ladies Night on the 6th, I intend to start it off with a bang!

A number of female friendly products will be available from our stall holders, followed by a fabulous evening of entertainment with Taylor Marcs. Those of you who remember him, he is a fantastically funny and hugely talented male vocalist, who will have you all talking about him for days! Entry is £3 on the door; I look forward to seeing you all there.

Also looking forward, we have our talent show auditions on Saturday 28th June, followed by the Mawsley Scouting groups' Barn Dance, featuring local band The Och n'dough.

Another day to mark in your diaries is the Village Fun Day, on the 5th July. Year after year a fantastic event, that should not be missed, each year bigger and better and this year we hope to have an outside bar as well as the main bar!

Watch out also for BBQs this summer, as The Centre has now bought its first, so we hope to be wheeling it out at every opportunity, all we need is a bit of sunshine!

Finally, I would also like to take this opportunity, on behalf of all The Centre Team, to say a huge thank you to Steve and Cheryl Buckle who set up and ran our quiz nights for over a year. Fantastic, however I think Mr Littler has a hard act to follow!

Sometimes joked to be the epicentre of the village, but often remarked as the heart of the village, The Centre welcomes you all. Open from 6pm every week day evening and from 12 noon at weekends. I look forward to seeing you soon!

Mawsley Village WI

Our 'Gail Morecambe' evening went brilliantly and everyone enjoyed the talk by Gail who was very entertaining, enthraling us with the personal side of Eric and his partner Ernie.

What a father to have, very embarrassing when boyfriends came around, just as funny and loveable at home as on stage. Gail was a very friendly person, signing many autographs and books afterwards; she had a smile and a word for everyone, her father's daughter definitely.

Our 'Handbag Bring and Buy' also went brilliantly with not too much of a scrum!! Our next meeting is on 10th June and again will be at the Medical Centre (thanks to Dr Oliver for his generosity) - the subject is 'A Victorian Lantern Show' with great pictures from the 1800s to the 1930s. Anyone is welcome to come along, we start at 7.30pm and refreshments as always are available. Guests £2.50.

Why not come and give the WI a try, you never know you might enjoy the company especially the new ladies to the village. It's a good way to make friends.

For more info call 799116, 791186 or 799152.

Look forward to seeing you.

Mawsley Allotment Association

Off and growing...

For years we have been campaigning for allotments in Mawsley and we shall continue to do so. Allotments are an entitlement in law and there are big implications for everyone when we are only this good at claiming the things to which we have a right. However, we do at least now have allotments for Mawsley, which, from any viewpoint, is a giant step forward. We are hugely grateful to the work put in by so many people to bring us to this stage. In particular, Elaine Cawthorne (Parish Council Clerk) put in a lot of effort on the legal and administrative side and Les and Anne Cordes (landowners) went way beyond the terms of any agreement with us with the help they provided in clearing the site. Huge thanks to these folks and for all the help and support we have received from so many sections of the community. Great use is being made of the excellent site right from the off and we eagerly anticipate our first harvest.

There have been a number of thefts and acts of vandalism on the site already. The Police are encouraging us to report all incidents as it helps them to look for any patterns to the activity. If you are unfortunate enough to fall victim to crime, however trivial, please report it to the Police.

All plots are now taken and a waiting list is in operation. If you wish to add your name to it please phone Andrew Christie (790037).

If you wish to remain or become a member of the allotment association, even though you have not taken on a plot, then please phone Maggie (791777).

If you have taken on a plot and not returned your signed lease or paid all your fees then please do so by yesterday at the latest.

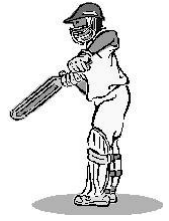

All other allotment enquiries can be forwarded to Tony (791162).

Loddington and Mawsley Cricket Club

The Cricket Club has been extremely active on and off the field in the early weeks of the season. The III XI made their league debut at Mawsley during the first Saturday in May, losing a close game to Weldon. The 10th May saw them record their first victory with a massive 241 run win over Kislingbury, again at Mawsley. The Under 11 Lions have also been in Tuesday night action at Mawsley, scraping a last ball victory over Stewarts & Lloyds in a thrilling encounter. The Ist XI have consolidated their place amongst the Division III front runners and enjoyed a comprehensive win over league leaders Long Buckby recently. The seconds have yet to record a victory but at present are unbeaten having drawn all of their fixtures. New features recently deployed at Mawsley are a pair of moveable practice nets which will be used for coaching of all age groups. Coaching sessions are scheduled for youngsters at Mawsley during weekday evenings, however these are subject to change so if you are interested in taking part please contact club youth coordinator Karl Sanders for the up to date programme on 07903 954360.

The club Golf Day has been arranged for Tuesday September 9th at Brampton Heath Golf Club at the cost per person of £35, teams of four are required. Last year over 60 players participated and the club are looking to improve on this number. Darren Wilkins is the organiser with Chairman Richard Baker his assistant. If you wish to play please contact Richard on 07740 490297.

The April 100 Club winner was Paul Stanley who collected a whopping £425 as the snowball also came his way. May winner was Marc Braithwaite who collected the standard payout. Membership is still available at £5 per month - contact any of the cricket club committee or visit the website for details.

All fixtures and club events can be accessed on Loddington and Mawsley website at lmcc.cricketclubwebsite.com

New members always welcome.

Mawsley Baby and Toddler Group

We meet every Thursday at The Centre in Mawsley from 9.30am until 11.00am. The cost is £1.50 for the first child in the family and 50p per child thereafter. There are toys, a craft activity, a singing session and a snack for the children.

We have been very busy since the last newsletter welcoming new members and the new babies of our current members. There are now babies from a few weeks old to children who will start school in September attending the group. If you are at home on a Thursday morning with babies/children and would like to join us, please either turn up or phone and we will arrange to meet you if you prefer.

During April we enjoyed a very windy trip to West Lodge Rural Centre. The children all enjoyed looking at the animals, playing in the outdoor playground and riding on the barrels. West Lodge then provided a delicious lunch for us all in their lovely restaurant. One Thursday in May, Mawsley Day Nursery very kindly provided the craft activity for us and set up a hairdresser's salon, which the children thoroughly enjoyed playing with. Thank you to both organisations - we much appreciate it.

Over recent weeks we have had businesses coming along on a Thursday to promote themselves, sell products or provide a service. The children thoroughly enjoyed having their photographs taken by a local photographer; the pictures were then available to buy. We have had cards, jewellery, shoes, casts made of children's hands and feet, etc. If you run a business and would like to come along please phone and we will be more than happy to provide you with details.

Dates for your diary

We have a very busy few months coming up...

Saturday 21st June - We are providing a children's play area at the Mawsley School Fete.

Wednesday 2nd July - We have booked The Sanctuary in Barnwell Court for the evening. This event is for all adults who bring children to the group. Come along and have dinner, a drink and a chat without being interrupted by cries of 'I need the toilet!'. Tickets will be on sale on Thursday mornings.

Thursday 3rd July - Our Summer Party, to include a magic show, during our usual group meeting time.

Saturday 5th July - Mawsley Fun Day at The Centre. We will be doing a tombola for children and other children's games/stalls. If anybody is able to help out, please let us know.

Summer holidays - From the time the schools break up in July until they return in September we have decided to extend our group meeting time to include lunch and an outside play at The Centre. We will finish our sessions as normal at 11.00am, and then clear away. We will then go outside onto the field with balls, bats, the parachute etc. The children can enjoy a play and eat their packed lunch together. This will only be able to happen on dry days. On wet days we will finish as normal. Please remember older brothers and sisters are welcome through the holidays.

*Are you free on a Thursday morning and do **not** have a baby or toddler?*

We are looking for people who live in the village to come along and help us on a Thursday morning. We need help setting up, clearing away, making new members feel welcome or looking after our babies/children while we do the above!! Please call if you can help.

Thanks as always to all the committee for your hard work and commitment every week.

Letters to Editor...

THANK YOU MAWSLEY

Doreen and I would like to thank all the people who tried to help when I had my fall outside The Centre a few of weeks ago. I did not know anything about it of course, being out cold at the time. However, lots of people came out to assist - we had an ex-nurse helping, the girls from The Centre came out with blankets etc., a gentleman brought a coat to put over me and helped load the stretcher into the helicopter and a kind lass brought out baby blankets to keep me warm because they could not stop me shivering.

We don't know all these people by name but we would like to say a big thank you to them all. We have since had lots of calls to wish Vic well which are much appreciated. Don't anybody ever try to tell us that Mawsley is not a village, it's just a dormitory. Dormitories don't show they care - Mawsley did. Thanks again.

Whilst writing, a big Thank You to the Air Ambulance and paramedic who got there so quickly. If it had been another heart attack, I could not have asked for better attendance times. They were marvellous.

DAISY PRE-SCHOOL

Now that we have been open at The Centre at Mawsley for almost a year we would like to share with you some of the activities we have carried out and some of our achievements over that year. In this time the children have taken part in a wide variety of fun filled activities as part of a variety of topics we have looked at.

We have also taken the children to the Derrigate theatre to take part in the mini breaks interactive show that was all about going on holiday. After this show the children were so enthusiastic about the show that we recreated the beach in the hall at The Centre with rock pools full of sea creatures and building sandcastles on the beach. Along with this the children had a walk to Mawsley School to watch the reception classes' Christmas production.

In April Ofsted carried out their inspection on the pre-school and they reported that the care and education of the children is good. Within the report they made some really good comments about the pre-school:

'Children are happy, settled and enjoy coming to the pre-school. Children's self-confidence is promoted by staff who build warm and positive relationships with the children, and have consistent expectations and clear routines.'

'Children are very confident to speak to and question staff and visitors to the pre-school. They are able to express and develop ideas in a variety of activities and situations.'

'The manager and staff work well together as a strong and effective team. Staff are well qualified and continue to attend training for their own personal development.'

The report from Ofsted reads so well it was hard to choose the comments to share with you. If you would like to read the report in full it is available on Ofsted's website (www.ofsted.gov.uk). For more information about the pre-school or to ask any questions please call me on 01604 781829.

Stacey Evans, Pre-School Manager

LOST

My name is Sophie. On Wednesday 7th May I lost my Nintendo DS games console at The Centre. My sister had hurt her foot and had to be taken to hospital. In all the confusion I put my DS down and forgot to pick it up again. It is a pink metallic DS. I got it for my birthday in March and have played with it every day since so I really miss it now.

If you have found it please could you hand it in to the school, The Centre or telephone 799019.

Thank you

Sophie

Dear Mawsley

I have returned to the village from my exciting travels to the East inspired by the ancient skills of classical yoga and would like to share these teachings with you in the place that I live.

From 10th June I will be offering a local yoga class @ The Centre Mawsley on Tuesday at 7pm and Friday at 9.30am. You can find further details within the Mawsley Advertiser.

People come to yoga for lots of different reasons, from high blood pressure and bad backs to relaxation or just a little time to themselves, finding real health benefits. Over its ancient history yoga is proven to bring down stress levels, rehabilitate injuries, cleanse and improve overall organ function thus bestowing peace of mind and a more positive outlook on life. So if you think you would like to experience a little Paradi with me it would be a pleasure to take you there.

Om shanti
