POND CONVERSATION becomes...

## POND CONSERVATION!

Following on from Kettering Borough Council's recent confirmation to Mawsley Parish Council that they have formally agreed to adopt our village pond and that they will liaise with Mawsley Parish Council and the community voluntary participation on its future conservation (see article on p6) I am very pleased to write that on Saturday 27th August, a group of volunteers, which included several very enthusiastic children, carried out extensive work on the pond and surrounding area by painting the decking and carrying out a litter pick which included Broughton Road and Loddington Way

This event was supported by Mawsley Villagers Association who paid for the painting materials and provided a BBQ and refreshments.

We are sure with the support of KBC in liaison with Mawsley Parish Council and Mawsley Villagers Association, that we have set the pattern for our ongoing commitment to the future conservation of the pond.

Our appreciation goes to everyone involved in the adoption process which includes Northampton County Council and Taylor Wimpey.

**Tom Sanders**

Before

*Thank you to Tom Sanders for organising a band of helpers to clean the pond area. Tom works very hard with all his projects and deserves a huge amount of gratitude.*

*Well done Tom and keep up the good work.*

*A grateful village resident*

**What a brilliant event!  
Congratulations to everyone  
involved in transforming the  
pond.**

**Best regards  
Cllr Jim Hakewill

## Best Wishes to Chris Winter

Sadly, one of the founder members of the MVA and guiding lights for the development and running of The Centre has now left the village.

Chris Winter has been at the forefront of village activities for nearly 10 years. I first met Chris when were amongst the small group that set up the MVA; little did I realise then that he would turn out to be a tower of strength and inspiration for us all.

Chris was the first to recognise that the planning commitment's vague specification for a "community building", would inevitably become a large and complex building that would have to meet the widely varying needs of the entire village. Even then it was clear that a pub was unlikely to be built in the foreseeable future, so what became The Centre at Mawsley also had to take on that role too. As such, it would have to plan to be a professional business, and couldn't be the archetypal village hall run by volunteers.

Chris developed all the financial processes and controls which allow us to manage the business in a transparent way, and protect your money. The success of this is apparent in the fulsome approval within the independent assessment of it by Hawsons (a firm of accountants) last year for the way in which The Centre is run. Chris pushed for and implemented the superb HD 93" TV system, and the recently installed amazing new "mood lighting". Chris lead many other things; a list too long to run through, but throughout he has been the guardian of the village's money – keeping a close eye on all spending.

Thank you Chris; without you the village would not be what it is today. On behalf of the MVA and all the village I wish Yvonne and yourself every success and happiness in the future.

This of course brings us on to who is going to take on all the work that Chris used to do? At the moment Simon Wisdom and I have picked it up; however we really would like to see some new faces taking on some of these (and other) responsibilities. This is desirable at the moment, but I suspect some time soon will become essential.

Just give me a call (791447).  
Bob Littler

## ***Bonfire Night - Saturday 5th November***

*As summer draws to a close it's time to think about November and bonfires. For those of you who missed last year's Bonfire Night we had a super display together with bonfire, and it was a great night.*

*Preparations for this year are already underway, but as ever it all depends on people putting a little time in to help; be it selling entry tickets, selling raffle tickets, acting as crowd marshals or simply helping with the preparation on the day.*

*If you are willing to help please could you contact either myself, Martin Bentley at [bentley\\_m1@sky.com](mailto:bentley_m1@sky.com) or Kevin Powell at [kpowell115@btinternet.com](mailto:kpowell115@btinternet.com)*

*All offers of help would be very much appreciated.*

Gladys Winter is Victoria Wood's biggest fan and over the years there have been remarkable similarities between her life and the lives of the characters that Victoria Wood has created. Victoria Wood has generously given her permission to include her songs and some famous monologues delivered by characters we all took to our hearts like Kitty, the Sacharel sales assistant and Madeleine, the hairdresser. 'Victoria Wood and Me' is a hilarious celebration of the country's favourite comedienne – guaranteed to make you laugh out loud!

### Mawsley Coffee Club

The Coffee Club continues to meet on a regular basis. We have enjoyed an afternoon tea, the weather was really good so we were able to sit outside. We have had a coffee morning and both of these events have been well attended.

We have also enjoyed a trip to Rutland Water with a cruise on the Rutland Belle. Although the weather was not brilliant the trip was enjoyed by all those who took part and we also enjoyed a lovely lunch at the Harbour Restaurant.

Our numbers continue to grow with 2 more new members. Maybe you have recently moved to Mawsley and would like to know more about the Coffee Club – give either of us a call if you are interested. Coffee Club is for those who are retired or nearing retirement and we would welcome new members.

September will see a new venture for us, we are going to get together to sing our favourite hymns at the church in Cransley. This will be followed by afternoon tea. In the following week we are having a garden party with a bring and buy stall. This is our one and only fund-raising event and is always well attended. We will also be enjoying a cream tea together.

In November we are going to the Derngate theatre to see Blood Brothers. There are still one or two seats available so if you would like to go please get in touch.

Finally in this new term after the summer, there is opportunity to explore faith and the bible in a new group on a Thursday with a small group of people in a home. Call Richard or Mandy Priestley on 790140 to find out more.

# Mawsley Village WI

By the time this issue comes out, the children will be back at school and Mums will be sighing with relief. Time for yourselves whether it's for a coffee at Coffee at No9 or perhaps coming along to the WI and see what we do and have a chat and a coffee with us.

We had a really good speaker at our last meeting who showed us how to gift wrap those awkward presents. We also have two interesting subjects for November and December, more about those in a later issue, and of course we are already thinking about our next years' programme. There are so many interesting subjects out there and if you know of anything that would be of interest to us please give us a call.

Our annual outing to 'Jimmy's Farm' in Suffolk was a great success and both he and his wife were there and they found time to speak with us. The meal was really filling and there were cocktails too! There is a lot to do there and a brilliant farm shop with all his farm reared pork. Well worth a visit.

October is our AGM and we will be voting in a new committee and President. We will be holding it at the White Horse at Old and of course we will enjoy a good lunch which will be a nice end to our WI year.

If you would like any information on the WI please call 07767477519 or visit our website [mawsleyvillagewi.btck.co.uk](http://mawsleyvillagewi.btck.co.uk)

### **Maintenance and Adoption Process**

Kettering Borough Council has recently announced an agreement with Parish Council to formally adopt the pond location as part of the Phase One [Broughton Road] adoption procedures.

We have requested that the future conservation of the pond remains within the community and have shown our support through MVA and its volunteers who took part in the working party, carried out on the 27<sup>th</sup> August.

### **Bus route**

Stagecoach and Northampton County Council have replied to the request by the Village Bus User Group to extend the bus route beyond the Medical Centre. NCC was in favour of the proposal, but has withdrawn financial support to the service. Stagecoach has declined the request based on the road network and the current roadwork's situation. They have also stated that changes in scheduling, the additional time and the provision of an extra bus cannot be funded at this time.

### **Bus Shelter.**

Parish Council are considering and are in consultation with Taylor Wimpey, Kettering Borough Council and Northampton County Council on the transfer of the land at Loddington Way for the positioning of a bus shelter.

# Parish Council Update

## Parish Councillor Vacancy

As mentioned in the last newsletter, there's currently space for one more Parish Councillor. We gave people time to request an election for this position if they wanted. Not enough people did, so we now need to co-opt a new Councillor. This means the existing Councillors have to select someone from those who put themselves forward. We've decided the best way to do this is to meet each candidate, get an idea of their reasons for standing, what they feel they can bring to the role and where they might fit in with the mix of people we already have on the council.

So if you think you'd like to be a Parish Councillor, let our Parish Clerk, Diana MacCarthy, know by 20<sup>th</sup> September, by e-mailing: [mawsleyclerk@tiscali.co.uk](mailto:mawsleyclerk@tiscali.co.uk). You don't need to give us your life history at this stage. Just name, address, phone number and e-mail address will be fine. Please do this even if you've already said you'd like to stand; just to be sure you're still interested. You can learn more about what being a Parish Councillor is all about, by looking at [www.stand-and-deliver.com](http://www.stand-and-deliver.com). Or just Google: 'being a parish councillor'. (other search engines are available!)

## Minutes

From now on, once the minutes of Parish Council meetings are ready for publication, we're going to put them up on the village notice boards. They will still be about a month old when they appear, but hopefully this improvement will make it easier for you to see what we're doing, and will improve the link between the Parish and its' Council.

## Report all Crime!

We've heard of a few thefts of garden ornaments, lights etc. We receive a report from the Police at each monthly meeting, on the crime figures for our village. It's clear every month how lucky we are, with those figures being comparatively very low. But we rarely see anything on there about these minor thefts, vandalism, malicious damage etc. However, the police will always tell you to report all crime. A missing birdbath may be an inconvenience rather than crime of the century. But it's anti-social at best, and definitely criminal activity. Minor crimes or anti-social behaviour can be part of a pattern, helping to detect larger, more serious crime. This doesn't mean a missing wheelie bin, or solar lights relocated in next-door's garden are going to lead to a massive crime-wave. Just that the Police can more easily identify any pattern, and then target their resources better, if they know about crimes being committed. We have a safe, relatively crime-free village. Keeping the police informed and on top of what's going on will certainly help to keep it that way.

## A Vision for Mawsley

The roads improvement programme is moving forward at quite a pace. It's a bit of a mess as things get done, but soon (we hope) we won't have raised manholes, unfinished roads or inadequate road markings. The village infrastructure will then begin to become the responsibility of the Borough and County Councils respectively. So now is the time to tell them what we, the village, want to see in certain key areas in Mawsley.

The Eco-meadow as it's known (the big field on School Road, opposite and downhill from the school) is one such area, as is the village green. There's been any number of ideas over the years, as to what, if anything, we might do with these areas of village land. The Borough Council will own these areas, and it will be them, ultimately, who decide what can and can't happen. But public consultation on well-thought out, detailed plans, for the shaping of these village assets for future generations, will certainly help them in their decision making.

We want to discuss the ideas that you come up with at meeting at the start of October. So we'd like to receive anything you want to put forward by the end of September. Ideas to the Clerk, or any of the Parish Councillors, via e-mail; phone; or good, old-fashioned, face-to-face conversation, will be more than welcome.

Cllr Peter Thomas

## **Taylor Wimpey Progress Report**

*Taylor Wimpey's programme of road surfacing is now well under way in Mawsley.*

*Teams have been working hard on the resurfacing of Main Street's road and paths, which is expected to be completed by mid-September. They will then focus on the School Road and Cowslip Hill areas of the village. It is anticipated the entire resurfacing programme for this area will be completed in time for Christmas, ahead of the final phase of the development being completed by summer 2012, dependent on the local builder finishing his work to schedule.*

*Potholes and streetlights will continue to be fixed as necessary, while remedial work is continuing throughout the village, including repainting white lines and carrying out planting and general maintenance to public open spaces. Residents are invited to telephone Colin Radford (Engineering Manager) on 0116 281 6403 to advise of any areas requiring immediate attention.*

*Dan Pole, Webb Associates on behalf of Taylor Wimpey*

### **BUS DIVERSION STILL IN PLACE**

Stagecoach have advised, that due to additional work required on Main Street, Taylor Wimpey need extra time for the bus service diversion to remain in place.

It is anticipated that the diversion will be necessary until the 3rd October.

# **Mawsley Artist and MAWPix in new business venture!**

**Mawsley artist and resident Helen Jones has been approached by the village picture framers Mawpix to design a range of canvases and hand finished prints.**

Chris Barker, the owner of Mawpix and Mawsley resident, had been looking to expand his current range and increase revenue and footfall into his shop in Barnwell Court and wanted to offer something both affordable and unique. After a recent visit to Stoke Bruerne, Chris and his fiancée found something which they thought could be reproduced by Mawpix, but which would require an artist to get it off the ground. What had caught their eye was an exceptional collection of beautifully illustrated canvas prints for children which could be hand finished and personalised.

Chris first met local artist Helen Jones a few months ago when she came into his shop wanting her artwork professionally mounted and framed. He had been impressed with her artwork, so the next time she visited he put a business proposition to her. Helen agreed to design a number of images which will be available on canvas or as paper prints and which can be personalised and/or hand finished.

Helen originally started painting Contemporary Art in oils on canvas, but has recently moved to designing an eclectic mix of illustrations for greeting card companies. This has led to her providing a service where she designs personalised illustrations for special occasions such as weddings and christenings. A handful of her work has been turned into limited edition prints, and these will also be available in Mawpix along with some of her original artwork. Her long-term goal is to illustrate children's books, but she is very excited about her new venture with Mawpix and will put her plans on hold for a few months to make it successful. To view examples of Helen's artwork or commission a piece visit [www.kingswoodart.co.uk](http://www.kingswoodart.co.uk).

The new collection is planned for launch at the end of September, so keep a look out for the launch posters and pop into Mawpix to have a look and let them know what you think. You may just find a perfect gift for your loved one!

**We wish Helen and Mawpix good luck for their new venture together and hope as local businesses you will be able to give them your support.**
